Dear Mr. Galarza:

Subject: N62474-03-G-2039-0008, Replace HVAC BLDG 155 Flight Simulator STAR Award

It is my pleasure to inform you that Yerba Buena Engineering & Construction has been selected as the recipient of the FY09 ROICC Travis Safety Through Awards and Recognition (STAR) program award for your outstanding safety performance during the execution of the Replace HVAC BLDG 155 Flight Simulator project. This award is a notable achievement and awarded only to those companies which have demonstrated a corporate proactive safety posture throughout the life of their contract.

As we strive to deliver a quality product, on time and within budget, we must not lose sight of safety as our number one priority. Your company has shown that commitment and has met the high standards of the Naval Facilities Engineering Command, NAVFAC Southwest and ROICC Travis outlined below for safety on the jobsite:

- Zero DART incidents throughout the life of the contract
- No significant (\$10,000) contractor or government property damage for entire length of contract.
- No safety non-compliance notices or stop work orders.
- No findings identified during Occupational Safety and Health Administration compliance inspections.
- No Class A, B, or C crane mishaps
- Minimum Overall Satisfactory performance evaluation – including quality.
- Cumulative Average score of 90% or better on the contractor safety self-evaluation checklist process

Congratulations on your selection as a ROICC Travis Safety Award recipient. Well done!

Sincerely,

J. D. ZEDA
LCDR, CEC, USN
